

THE RBB FUND, INC.

**SGI Small Cap Growth Fund
(formerly known as the Bogle Investment Management Small Cap Growth Fund)
(the “Fund”)**

**Supplement dated July 7, 2021
to the Prospectus dated December 31, 2020, as amended**

1. The name of the sole class of the Fund has been changed to Class I Shares.
2. The Prospectus sections entitled “Summary Section – Principal Risks – Environmental, Social and Governance Investing Risk” and “Additional Information on the Principal Risks of Investing in the Fund” are deleted and replaced with the following:

Environmental, Social and Governance Investing Risk (“ESG”). ESG investing risk is the risk stemming from the ESG factors that the Fund may apply in selecting securities. The Fund seeks to screen out companies that it believes may have higher downside risk and lower ESG ratings, but investors may differ in their views of ESG characteristics. This may affect the Fund’s exposure to certain companies or industries and cause the Fund to forego certain investment opportunities. The Fund’s returns may be lower than other funds that do not use ESG ratings and/or screen out certain companies or industries. As a result, the Fund may invest in companies that do not reflect the beliefs and values of any particular investor.

Please keep this Supplement with your records.

THE RBB FUND, INC. (the “Company”)

**SGI Small Cap Growth Fund
(formerly known as the Bogle Investment Management Small Cap Growth Fund) (the “Fund”)
(Ticker: BOGIX)**

**Supplement dated May 7, 2021
to the Prospectus dated December 31, 2020, as amended**

1. At a special meeting of the shareholders held on May 6, 2021, the shareholders of the Fund approved the New Advisory Agreement between the Company, on behalf of the Fund, and Summit Global Investment, LLC (the “Adviser”). Accordingly, all references to Bogle Investment Management, L.P., the Fund’s prior investment adviser, are deleted.

2. The section entitled “Summary Section – Management of the Fund” is deleted and replaced with the following:

Investment Adviser

Summit Global Investments, LLC

Portfolio Managers

David L. Harden since March 2021.

Aash Shah since March 2021.

3. The section entitled “Management of the Fund” is deleted and replaced with the following:

Investment Adviser

The Adviser's principal address is 620 South Main Street, Bountiful, Utah 84010. The Adviser provides investment management and investment advisory services to investment companies and other institutional accounts. The Adviser is 100% privately-owned, and was founded in 2010.

Pursuant to the investment advisory agreement with the Company, the Adviser is entitled to an advisory fee computed daily and payable monthly at the annual rate of 0.95% of the Fund’s average daily net assets. The Adviser has contractually agreed to waive management fees and reimburse expenses to the extent that Total Annual Fund Operating Expenses (excluding certain items discussed below) exceed 1.23% for the Fund. In determining the Adviser’s obligation to waive advisory fees and/or reimburse expenses, the following expenses are not taken into account and certain of these expenses could cause net Total Annual Fund Operating Expenses to exceed 1.23%: acquired fund fees and expenses, brokerage commissions, extraordinary items, interest or taxes. If at any time the Fund’s total annual Fund operating expenses (not including acquired fund fees and expenses, brokerage commissions, extraordinary items, interest and taxes) for a year are less than 1.23%, the Adviser may recoup any waived or reimbursed amounts from the Fund within three years from the date on which such waiver or reimbursement was made by the Adviser, provided such reimbursement does not cause the Fund to exceed the expense limitations that were in effect at the time of the waiver or reimbursement. If at any time the Fund’s Total Annual Fund Operating Expenses are less than 1.23% (excluding certain items), then the Adviser is entitled to reimbursement by the Fund of the advisory fees forgone and other payments remitted by the Adviser to the Fund within three years from the date on which such waiver or reimbursement was made. This contractual limitation is in effect until December 31, 2022 and may not be terminated without the approval of the Board.

A discussion regarding the basis for the Board’s approval of the Fund’s investment advisory agreement with the Adviser is available in the Fund’s semi-annual report to shareholders dated February 28, 2021.

Portfolio Managers

David L. Harden is the Chief Executive Officer and Chief Investment Officer of SGI, and is jointly responsible for the day-to-day management of the Fund’s investment portfolio. Mr. Harden founded SGI in 2010, and has managed the firm’s SGI U.S. Large Cap Equity Fund and SGI U.S. Small Cap Equity Fund since their inception dates of February 29, 2012 and March 31, 2016, respectively. Mr. Harden has managed the firm’s SGI Global Equity Fund since January 1, 2017. He started his career in 1993 and has worked for such firms as Fidelity Investments, Wellington Management and Evergreen Investments. From 2007 to 2012, Mr. Harden worked with Ensign Peak Advisors, Inc., most recently as Vice President and Senior Portfolio Manager, where he managed and oversaw day-to-day research, portfolio management and trading for all index, quantitative and low volatility strategies.

Aash Shah is a portfolio manager of SGI and is jointly responsible for the day-to-day management of the Fund. Mr. Shah also serves as the portfolio manager of the SGI U.S. Large Cap Equity Fund, SGI U.S. Small Cap Equity Fund, and the SGI Global Equity Fund. Mr. Shah joined SGI in 2017 as a portfolio manager. Mr. Shah has over 26 years of investment management experience including over 21 years as a portfolio manager. Previously, Mr. Shah managed small, mid, and large cap funds for Federated Investors in both New York City and Pittsburgh. Mr. Shah also managed private client portfolios for Key Bank in Denver prior to joining Summit. Mr. Shah has a Bachelor's degree from the University of Pittsburgh Swanson School of Engineering and an MBA in Finance and Accounting from the Tepper School at Carnegie Mellon University. He also holds a CFA charter.

The SAI provides additional information about each portfolio manager's compensation, other accounts managed by the portfolio manager and the portfolio manager's ownership of shares in the Fund.

Please keep this Supplement with your records.

THE RBB FUND, INC. (the “Company”)

**SGI Small Cap Growth Fund
(formerly known as the Bogle Investment Management Small Cap Growth Fund) (the “Fund”)
(Ticker: BOGIX)**

**Supplement dated March 15, 2021
to the Prospectus dated December 31, 2020**

1. Following the resignation of Bogle Investment Management, L.P., the Fund’s prior investment adviser (“Bogle”), the Board of Directors of the Company (the “Board”) unanimously voted to approve (i) an interim investment advisory agreement (the “Interim Advisory Agreement”) between the Company and Summit Global Investments, LLC (“SGI” or the “Adviser”), which is effective as of March 15, 2021, and (ii) a new investment advisory agreement (the “New Advisory Agreement”) between the Company and Summit, which will not become effective unless approved by shareholders of the Fund.

The Interim Advisory Agreement will remain effective until the earlier of 150 days from its effective date or the date upon which shareholders approve the New Advisory Agreement. A special meeting of the shareholders will be held on May 6, 2021 at which shareholders will be asked to consider and approve the New Advisory Agreement. In advance of the meeting, shareholders entitled to vote at the meeting will receive proxy materials providing more information about SGI and the New Advisory Agreement including, among other information, a form of the New Advisory Agreement.

2. Effective as of March 15, 2021, the name of the Fund has been changed to the SGI Small Cap Growth Fund (the Fund was formerly known as the Bogle Investment Management Small Cap Growth Fund).

3. All references to Bogle in the Prospectus are hereby deleted and replaced with Summit Global Investments, LLC. You may obtain further information about the Fund by calling (toll free) 1-855-744-8500, visiting www.sgi.com, or writing to the Fund c/o U.S. Bank Global Fund Services, P.O. Box 701, Milwaukee, Wisconsin 53201-0701.

4. The section entitled “Summary Section – Principal Risks” is amended by adding the following:

Environmental, Social and Governance Investing Risk. ESG investing risk is the risk stemming from the environmental, social and governance factors that the Fund applies in selecting securities. The Fund intends to invest in companies with measurable high ESG ratings relative to their sector peers, and screen out particular companies that do not meet its ESG criteria. This may affect the Fund’s exposure to certain companies or industries and cause the Fund to forego certain investment opportunities. The Fund’s return may be lower than other funds that do not seek to invest in companies based on ESG ratings and/or screen out certain companies or industries. The Fund seeks to identify companies that it believes may have higher downside risk and lower ESG ratings, but investors may differ in their views of ESG characteristics. As a result, the Fund may invest in companies that do not reflect the beliefs and values of any particular investor.

5. The section entitled “Summary Section – Management of the Fund” is deleted and replaced with the following:

Investment Adviser

Summit Global Investments, LLC

Portfolio Managers

David L. Harden since March 2021.

Richard Thawley since March 2021.

Matthew Hanna since March 2021.

Aash Shah since March 2021.

6. The section entitled “Management of the Fund” is deleted and replaced with the following:

Investment Adviser

The Adviser's principal address is 620 South Main Street, Bountiful, Utah 84010. The Adviser provides investment management and investment advisory services to investment companies and other institutional accounts. The Adviser is 100% privately-owned, and was founded in 2010.

Pursuant to an interim investment advisory agreement with the Company, the Adviser is entitled to an advisory fee computed daily and payable monthly at the annual rate of 1.00% of the Fund's average daily net assets. The Adviser has contractually agreed to waive management fees and reimburse expenses to the extent that Total Annual Fund Operating Expenses (excluding certain items discussed below) exceed 1.25% for the Fund. In determining the Adviser's obligation to waive advisory fees and/or reimburse expenses, the following expenses are not taken into account and certain of these expenses could cause net Total Annual Fund Operating Expenses to exceed 1.25%: acquired fund fees and expenses, brokerage commissions, extraordinary items, interest or taxes. If at any time the Fund's total annual Fund operating expenses (not including acquired fund fees and expenses, brokerage commissions, extraordinary items, interest and taxes) for a year are less than 1.25%, the Adviser may recoup any waived or reimbursed amounts from the Fund within three years from the date on which such waiver or reimbursement was made by the Adviser, provided such reimbursement does not cause the Fund to exceed the expense limitations that were in effect at the time of the waiver or reimbursement. If at any time the Fund's Total Annual Fund Operating Expenses are less than 1.25% (excluding certain items), then the Adviser is entitled to reimbursement by the Fund of the advisory fees forgone and other payments remitted by the Adviser to the Fund within three years from the date on which such waiver or reimbursement was made. This contractual limitation is in effect until December 31, 2021 and may not be terminated without the approval of the Board.

A discussion regarding the basis for the Board's approval of the Fund's investment advisory agreement with the Adviser will be available in the Fund's annual report to shareholders dated August 31, 2021.

Portfolio Managers

David L. Harden is the Chief Executive Officer and Chief Investment Officer of SGI, and is jointly responsible for the day-to-day management of the Fund's investment portfolio. Mr. Harden founded SGI in 2010, and has managed the firm's SGI U.S. Large Cap Equity Fund and SGI U.S. Small Cap Equity Fund since their inception dates of February 29, 2012 and March 31, 2016, respectively. Mr. Harden has managed the firm's SGI Global Equity Fund since January 1, 2017. He started his career in 1993 and has worked for such firms as Fidelity Investments, Wellington Management and Evergreen Investments. From 2007 to 2012, Mr. Harden worked with Ensign Peak Advisors, Inc., most recently as Vice President and Senior Portfolio Manager, where he managed and oversaw day-to-day research, portfolio management and trading for all index, quantitative and low volatility strategies.

Richard Thawley is a portfolio manager of SGI and is jointly responsible for the day-to-day management of the Fund. Mr. Thawley also serves as portfolio manager for the SGI U.S. Small Cap Equity Fund's portfolio. Mr. Thawley joined SGI in 2013 as an Investment Analyst. Mr. Thawley has a BS from Brigham Young University. From 2009 to 2010, Mr. Thawley worked as a marketing analyst at Aegon, N.V. From 2010 to 2011, he worked as an analyst at Provident Generation. From 2012 to 2013, Mr. Thawley worked at BYU Broadcasting as a research analyst.

Matthew Hanna is a portfolio manager of SGI and is jointly responsible for the day-to-day management of the investment portfolio of the Fund. Mr. Hanna also serves as the portfolio manager to the SGI U.S. Large Cap Equity Fund, SGI U.S. Small Cap Equity Fund, and the SGI Global Equity Fund. Mr. Hanna joined SGI in 2017 as a portfolio manager. Mr. Hanna focuses on all aspects of the investment process with a primary focus on quantitative investment management. Some of Mr. Hanna's key responsibilities are factor research, optimization methodologies, asset allocation, and portfolio risk management. Mr. Hanna was previously employed at Raymond James for over 10 years in the Asset Management Services. Mr. Hanna's role as an officer involved leading research on asset allocation, risk management, and global market analysis on over \$35 billion. Mr. Hanna earned his Master of Science in Finance from the University of Tampa. He is a CFA Charterholder, Certified FRM, and CAIA Charterholder.

Aash Shah is a portfolio manager of SGI and is jointly responsible for the day-to-day management of the Fund. Mr. Shah also serves as the portfolio manager of the SGI U.S. Large Cap Equity Fund, SGI U.S. Small Cap Equity Fund, and the SGI Global Equity Fund. Mr. Shah joined SGI in 2017 as a portfolio manager. Mr. Shah has over 26 years of investment management experience including over 21 years as a portfolio manager. Previously, Mr. Shah managed small, mid, and large cap funds for Federated Investors in both New York City and Pittsburgh. Mr. Shah also managed private client portfolios for Key Bank in Denver prior to joining Summit. Mr. Shah has a Bachelor's degree from the University of Pittsburgh Swanson School of Engineering and an MBA in Finance and Accounting from the Tepper School at Carnegie Mellon University. He also holds a CFA charter.

The SAI provides additional information about the portfolio manager's compensation, other accounts managed by the portfolio manager and the portfolio manager's ownership of shares in the Fund.

THE RBB FUND, INC. (the “Company”)

Bogle Investment Management Small Cap Growth Fund (the “Fund”)
(Ticker: BOGIX)

**Supplement dated February 16, 2021
to the Prospectus and Statement of Additional Information each dated
December 31, 2020**

Bogle Investment Management, L.P. (“Bogle”), the current investment adviser to the Fund, has notified the Board of Directors of the Company (the “Board”) that it wishes to resign as the investment adviser to the Fund. In order to ensure the continued management of the Fund’s assets following the resignation by Bogle, the Board unanimously voted to approve (i) an interim investment advisory agreement (the “Interim Advisory Agreement”) between the Company and Summit Global Investments, LLC (“Summit”), which is expected to become effective on March 15, 2021, and (ii) a new investment advisory agreement (the “New Advisory Agreement”) between the Company and Summit, which will not become effective unless approved by shareholders of the Fund.

The Interim Advisory Agreement will remain effective until the earlier of 150 days from its effective date or the date upon which shareholders approve the New Advisory Agreement. A special meeting of the shareholders will be held in the second quarter of 2021 at which shareholders will be asked to consider and approve the New Advisory Agreement. In advance of the meeting, shareholders entitled to vote at the meeting will receive proxy materials providing more information about Summit and the New Advisory Agreement including, among other information, a form of the New Advisory Agreement.

In addition, the Fund will change its name to the SGI Small Cap Growth Fund, effective as of the effective date of the Interim Advisory Agreement. The Fund’s investment objective will not change, but certain of the Fund’s principal investment strategies and risks will change. Following the effective date of the Interim Advisory Agreement, when selecting or selling stocks, Summit will consider environmental, social and/or governance (“ESG”) issues in addition to other factors. Therefore, the Fund will be subject to the following additional risk:

Environmental, Social and Governance Investing Risk. ESG investing risk is the risk stemming from the environmental, social and governance factors that the Fund applies in selecting securities. The Fund intends to invest in companies with measurable high ESG ratings relative to their sector peers, and screen out particular companies that do not meet its ESG criteria. This may affect the Fund’s exposure to certain companies or industries and cause the Fund to forego certain investment opportunities. The Fund’s results may be lower than other funds that do not seek to invest in companies based on ESG ratings and/or screen out certain companies or industries. The Fund seeks to identify companies that it believes may have higher downside risk and lower ESG ratings, but investors may differ in their views of ESG characteristics. As a result, the Fund may invest in companies that do not reflect the beliefs and values of any particular investor.

THE RBB FUND, INC.

PROSPECTUS

DECEMBER 31, 2020

Beginning on January 1, 2021, as permitted by regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), paper copies of the Fund’s annual and semi-annual shareholder reports will no longer be sent by mail, unless you specifically request paper copies of the reports. Instead, the reports will be made available on a website and you will be notified by mail each time a report is posted and provided with a website link to access the report.

If you already elected to receive shareholder reports electronically, you will not be affected by this change and you need not take any action. You may elect to receive shareholder reports and other communications from the Fund electronically anytime by contacting your financial intermediary (such as a broker-dealer or a bank) or, if you are a direct investor, by calling 1-877-264-5346.

You may elect to receive all future reports in paper free of charge. If you invest through a financial intermediary, you can contact your financial intermediary to request that you continue to receive paper copies of your shareholder reports. If you invest directly with the Fund, you can call 1-877-264-5346 to inform the Fund that you wish to continue receiving paper copies of your shareholder reports. Your election to receive reports in paper will apply to all funds held in your account if you invest through your financial intermediary or all funds held with the fund complex if you invest directly with the Fund.

The securities described in this prospectus have been registered with the SEC. The SEC, however, has not judged these securities for their investment merit and has not determined the accuracy or adequacy of this prospectus. Anyone who tells you otherwise is committing a criminal offense.

SUMMARY SECTION

INVESTMENT OBJECTIVE

The investment objective of the Bogle Investment Management Small Cap Growth Fund (the “Fund”) is to provide long-term capital appreciation.

EXPENSES AND FEES

This table describes the fees and expenses that you may pay if you buy, hold, and sell shares of the Fund. You may pay other fees, such as brokerage commissions and other fees to financial intermediaries, which are not reflected in the tables and examples below.

SHAREHOLDER FEES (fees paid directly from your investment)

Maximum Sales Charge (Load) Imposed on Purchases (as a percentage of offering price)	None
Maximum Deferred Sales Charge (Load)	None
Maximum Sales Charge (Load) Imposed on Reinvested Dividends	None
Redemption Fee (as a percentage of amount redeemed, if applicable)	None
Exchange Fee	None

ANNUAL FUND OPERATING EXPENSES (expenses that you pay each year as a percentage of the value of your investment)

Management Fees	1.00%
Distribution and/or Service (12b-1) Fees	None
Other Expenses	0.38%
Total Annual Fund Operating Expenses	1.38%
Fee Waiver and/or Expense Reimbursement ⁽¹⁾	<u>-0.13%</u>
Total Annual Fund Operating Expenses After Fee Waiver and/or Expense Reimbursement	<u>1.25%</u>

⁽¹⁾ Bogle Investment Management, L.P. (the “Adviser”) has contractually agreed to waive management fees and reimburse expenses to the extent that Total Annual Fund Operating Expenses (excluding certain items discussed below) exceed 1.25% for the Fund. In determining the Adviser’s obligation to waive advisory fees and/or reimburse expenses, the following expenses are not taken into account and certain of these expenses could cause net Total Annual Fund Operating Expenses to exceed 1.25%: acquired fund fees and expenses, brokerage commissions, extraordinary items, interest or taxes. This contractual limitation is in effect until December 31, 2021 and may not be terminated without the approval of the Board of Directors (the “Board”) of The RBB Fund, Inc. The Adviser may discontinue these arrangements any time after December 31, 2021. If at any time the Fund’s total annual Fund operating expenses (not including acquired fund fees and expenses, brokerage commissions, extraordinary items, interest and taxes) for a year are less than 1.25%, the Adviser may recoup any waived or reimbursed amounts from the Fund within three years from the date on which such waiver or reimbursement was made by the Adviser, provided such reimbursement does not cause the Fund to exceed the expense limitations that were in effect at the time of the waiver or reimbursement.

EXAMPLE

This Example is intended to help you compare the cost of investing in the Fund with the cost of investing in other mutual funds. The Example below shows what you would pay if you invested \$10,000 in the Fund over the various time periods indicated and then redeemed all of your shares at the end of those periods. The Example assumes that your investment has a 5% return each year and that the Fund's operating expenses remain the same (taking into account the contractual expense limitation for the first year). Although your actual costs may be higher or lower, based on these assumptions your costs would be:

<u>1 Year</u>	<u>3 Years</u>	<u>5 Years</u>	<u>10 Years</u>
\$127	\$424	\$743	\$1,646

PORTFOLIO TURNOVER

The Fund pays transaction costs, such as commissions, when it buys and sells securities (or "turns over" its portfolio). A higher portfolio turnover rate may indicate higher transaction costs and may result in higher taxes when Fund shares are held in a taxable account. These costs, which are not reflected in total annual fund operating expenses or in the Example, affect the Fund's performance. Portfolio turnover may vary from year to year, as well as within a year. During the most recent fiscal year, the Fund's portfolio turnover rate was 302% of the average value of its portfolio.

PRINCIPAL INVESTMENT STRATEGIES

The Fund seeks to achieve its objective by investing under normal circumstances at least 80% of the net assets of the portfolio (including borrowings for investment purposes) in the stocks of U.S. companies with market capitalizations, at the time of purchase, that are within the trailing twelve-month range of the market capitalizations of those companies that are included in the Russell 2000[®] Index ("Small Cap Stocks"). For purposes of this investment policy, stocks of U.S. companies are stocks that are listed on a securities exchange or market inside the United States. Because the Russell 2000[®] Index ("Index") is modified ("reconstituted") regularly (usually each year) to replace companies that no longer qualify for inclusion in the Index due to, among other reasons, having market capitalizations that have grown too large, the Adviser uses the trailing twelve-month range of market capitalizations to mitigate the need to trade stocks in the portfolio due to Index reconstitution. Further, the Adviser will not sell from the portfolio any holdings that the Adviser believes are likely to appreciate more than the Index solely because the market capitalizations of such holdings cause the portfolio to hold less than 80% of its net assets within this range. As such, the Fund may, from time to time, hold less than 80% of its net assets within this range. The Fund attempts to achieve its objective by taking long positions in Small Cap Stocks that the Adviser believes are undervalued given their future earnings growth prospects. As part of its investment strategy, the Adviser will continue to invest in Small Cap Stocks that the Adviser believes will appreciate more than the Index. Shareholders will be notified by the Fund sixty days in advance of any change in this 80% policy.

PRINCIPAL RISKS

Risk is inherent in all investing. The value of your investment in the Fund, as well as the amount of return you receive on your investment, may fluctuate significantly from day to day and over time. You may lose part or all of your investment in the Fund or your investment may not perform as well as other similar investments. The Fund's principal risks are presented in alphabetical order to facilitate finding particular risks and comparing them with other funds. Each risk summarized below is considered a "principal risk" of investing in the Fund, regardless of the order in which it appears. Different risks may be more significant at different times depending on market conditions or other factors.

- **Cyber Security Risk.** Cyber security risk is the risk of an unauthorized breach and access to Fund assets, Fund or customer data (including private shareholder information), or proprietary information, or the risk of an incident occurring that causes the Fund, the investment adviser, custodian, transfer agent, distributor and other service providers and financial intermediaries to suffer data breaches, data corruption or lose operational functionality or prevent Fund investors from purchasing, redeeming or exchanging shares or receiving distributions. The Fund and its investment adviser have limited ability to prevent or mitigate cyber security incidents affecting third-party service providers, and such third-party service providers may have limited indemnification obligations to the Fund or the Adviser. Successful cyber-attacks or other cyber-failures or events affecting the Fund or its service providers may adversely impact and cause financial losses to the Fund or its shareholders. Issuers of securities in which the Fund invests are also subject to cyber security risks, and the value of these securities could decline if the issuers experience cyber-attacks or other cyber-failures.
- **Equity Stock Risk.** Common stocks may decline over short or even extended periods of time. Equity markets tend to be cyclical; there are times when stock prices generally increase, and other times when they generally decrease. Therefore, you could lose money by investing in the Fund.
- **Growth Stock Risk.** Growth stocks are typically priced higher than other stocks, in relation to earnings and other measures, because investors believe they have more growth potential. This potential may or may not be realized and, if it is not realized, may result in a loss to the Fund. Growth stock prices also tend to be more volatile than the overall market. Because different types of stocks go out of favor with investors depending on market and economic conditions, the Fund's return may be adversely affected during a market downturn and when growth stocks are out of favor.
- **Market Risk.** The net asset value ("NAV") of the Fund will fluctuate with changes in the market value of the Fund's portfolio holdings.
- **Portfolio Turnover Risk.** The Fund may frequently trade its portfolio holdings. High portfolio turnover will cause the Fund to incur higher brokerage commissions and other transaction costs, which could lower the Fund's performance. In addition to lower performance, high portfolio turnover could result in higher taxable capital gains. A portfolio turnover rate of 100% is considered to be high.
- **Small Cap Risk.** The Fund will invest in Small Cap Stocks that may be more volatile than investments in issuers with larger market capitalizations. Issuers of Small Cap Stocks are not as diversified in their business activities as issuers with larger market capitalizations and are more susceptible to changes in the business cycle. Small companies may also have limited product lines, markets or financial resources and may be dependent on relatively small or inexperienced management groups. Additionally, the trading volume of small company securities may make them more difficult to sell than those of larger companies. Moreover, the lack of an efficient market for the securities may make them difficult to value.

- Value Stock Risk. Although the Fund will invest in stocks that the Adviser believes to be undervalued, there is no guarantee that the prices of these stocks will not move even lower. Because different types of stocks go out of favor with investors depending on market and economic conditions, the Fund's return may be adversely affected during a market downturn and when value stocks are out of favor.

RISK/RETURN INFORMATION

The chart below illustrates the long-term performance of the Fund. The information shows you how the Fund's performance has varied year by year and provides some indication of the risks of investing in the Fund by illustrating the variability of the Fund's returns. The chart assumes reinvestment of dividends and distributions. As with all such investments, past performance (before and after taxes) is not an indication of future results. Performance reflects fee waivers in effect. If fee waivers were not in place, the Fund's performance would be reduced. Updated performance information may be obtained at www.boglefunds.com or by calling 1-877-264-5346.

TOTAL RETURNS FOR THE CALENDAR YEARS ENDED DECEMBER 31

Best and Worst Quarterly Performance (for the periods reflected in the chart above):

Best Quarter: 17.03% (quarter ended March 31, 2012)

Worst Quarter: -24.81% (quarter ended December 31, 2018)

Year-to-date total return for the nine months ended September 30, 2020: -3.01%

AVERAGE ANNUAL TOTAL RETURNS

The following table below compares the Fund's average annual total returns for the past calendar year, the past five calendar years and the past ten calendar years to the average annual total returns of a broad-based securities market index for the same periods. Past performance (before and after taxes) is not necessarily an indicator of how the Fund will perform in the future.

AVERAGE ANNUAL TOTAL RETURNS FOR THE PERIODS ENDED DECEMBER 31, 2019

	<u>1 Year</u>	<u>5 Years</u>	<u>10 Years</u>
Return Before Taxes	24.05%	6.17%	12.13%
Return After Taxes on Distributions ⁽¹⁾	23.96%	3.51%	10.25%
Return After Taxes on Distributions and Sale of Fund Shares ⁽¹⁾	14.30%	3.82%	9.38%
Russell 2000 [®] Index	25.52%	8.23%	11.83%

⁽¹⁾ After-tax returns are calculated using the historical highest individual federal marginal income tax rates and do not reflect the impact of state and local taxes. Actual after-tax returns depend on an investor's tax situation and may differ from those shown. After-tax returns shown are not relevant to investors who hold their Fund shares through tax-deferred arrangements, such as 401(k) plans or individual retirement accounts (IRA). In certain cases, the figure representing "Returns After Taxes on Distributions and Sale of Fund Shares" may be higher than the other return figures for the same period, since a higher after-tax return results when a capital loss occurs upon redemption and provides an assumed tax deduction that benefits the investor.

MANAGEMENT OF THE FUND

Investment Adviser

Bogle Investment Management, L.P.

Portfolio Manager

John C. Bogle, Jr., President, since inception.

PURCHASE AND SALE OF FUND SHARES

Minimum Initial Investment

\$10,000 (\$2,000 minimum for IRA accounts)

You can purchase and redeem shares of the Fund only on days the New York Stock Exchange (the "NYSE") is open. Shares of the Fund may be available through certain brokerage firms, financial institutions and other industry professionals (collectively, "Service Organizations"). Shares of the Fund may also be purchased and redeemed directly through The RBB Fund, Inc. (the "Company") by the means described below.

Milwaukee, WI 53202-5207

Purchase by Wire:

Before sending any wire, call U.S. Bancorp Fund Services, doing business as U.S. Bank Global Fund Services (the “Transfer Agent”) at 1-877-264-5346 to confirm the current wire instructions for the Fund.

Redemption by Telephone:

Call the Transfer Agent at 1-877-264-5346.

TAX INFORMATION

The Fund intends to make distributions that generally may be taxed at ordinary income or capital gains rates.

PAYMENTS TO BROKER-DEALERS AND OTHER FINANCIAL INTERMEDIARIES

If you purchase the Fund through a broker-dealer or other financial intermediary (such as a bank), the Fund and its related companies may pay the intermediary for the sale of Fund shares and related services. These payments may create a conflict of interest by influencing the broker-dealer or other intermediary and your salesperson to recommend the Fund over another investment. Ask your salesperson or visit your financial intermediary’s website for more information.

ADDITIONAL INFORMATION ON THE FUND'S INVESTMENT OBJECTIVE AND PRINCIPAL STRATEGIES

The investment objective of the Fund is to provide long-term capital appreciation. In seeking this objective, the Fund attempts to achieve a total return greater than the total return of the Russell 2000[®] Index. The Russell 2000[®] Index is an unmanaged index that is comprised of the 2,000 smallest of the 3,000 largest U.S. domiciled corporations, ranked by market capitalizations.

The Fund attempts to achieve its objective by taking long positions in Small Cap Stocks that the Adviser believes are undervalued given their future earnings growth prospects. The Fund will primarily invest in securities principally traded in the U.S. markets. The Fund may also invest in futures contracts and options on futures contracts as an alternative to purchasing a specified type of security.

The Adviser will determine the size of each position by analyzing the tradeoff between the attractiveness of each position and its impact on the risk of the overall portfolio. The Board can change the investment objective of the Fund. However, shareholders will be given notice before any change is made.

The Fund's long positions may include (without limit) equity securities of foreign issuers that are traded in the markets of the United States as sponsored American Depositary Receipts ("ADRs"). ADRs are receipts issued by a U.S. bank or trust company evidencing ownership of the underlying foreign securities. Generally, ADRs, in registered form, are designed for use in U.S. securities markets. The ADRs may not necessarily be denominated in the same currency as the foreign securities underlying the ADRs. The Fund will not invest directly in equity securities that are principally traded outside of the United States.

In addition to investments expected to meet the preceding criteria, the Fund may also invest in certain instruments related to the Standard & Poor's 500[®] Composite Stock Price Index (the "S&P 500[®] Index") and the Russell 2000[®] Index (described above). The S&P 500[®] Index is an unmanaged index composed of 500 common stocks, most of which are listed on the NYSE. The S&P 500[®] Index assigns relative values to the stocks included in the index, weighted according to each stock's total market value relative to the total market value of the other stocks included in such index. The Fund may invest in S&P 500[®] Index futures, options on S&P 500[®] Index futures, Russell 2000[®] Index futures and equity swap contracts.

The Fund may seek to increase its income by lending portfolio securities to institutions, such as certain broker-dealers. Portfolio securities loans are secured continuously by collateral maintained on a current basis at an amount at least equal to the market value of the securities loaned. The value of the securities loaned by the Fund will not exceed 33 1/3% of the value of the Fund's total assets. The Fund may experience a loss or delay in the recovery of its securities if the borrowing institution breaches its agreement with the Fund. Lending the Fund's portfolio securities involves a variety of risks, not limited to the risk of delay in receiving additional collateral if the value of the securities goes up while they are on loan. The Fund may lose money from securities lending if, for example, it is delayed in or prevented from selling the collateral after the loan is made or recovering the securities loaned or if it incurs losses on the reinvestment of cash collateral.

Sell decisions are generally triggered by an adverse change in either the fundamental outlook for a company or investors' beliefs about future stock price performance. Fundamental signals that could signal a sale include a significant appreciation in price, a poor quarterly earnings announcement or an indication that management

is aggressive with its financial accounting. Adverse changes in investors' beliefs about future stock prices are related to investors' behavioral biases. Given the diversified nature of the stock selection process, it is likely that more than one of these signals would have to be declining in order to trigger a sale.

The Fund may hold cash or cash equivalents pending investment or to meet redemption requests. In addition, for defensive purposes due to abnormal market or economic situations, as determined by the Adviser, the Fund may reduce its holdings in other securities and invest up to 100% of its assets in cash or certain short-term (less than twelve months to maturity) and medium-term (not greater than five years to maturity) interest-bearing instruments or deposits of U.S. and foreign issuers. Such investments may include, but are not limited to, commercial paper, certificates of deposit, variable or floating rate notes, bankers' acceptances, time deposits, government securities and money-market deposit accounts. To the extent the Fund employs a temporary investment strategy, the Fund may not achieve its investment objective.

ADDITIONAL INFORMATION ON THE PRINCIPAL RISKS OF INVESTING IN THE FUND

GENERAL

There can be no assurance that the investment methodology employed will satisfy the Fund's objective of long-term capital appreciation. Additionally, an investment in the Fund will be subject to the risk of poor stock selection by the Adviser. In other words, the Adviser may not be successful in executing its strategy and may invest in stocks that underperform the market.

The value of fixed income securities held by the Fund, and thus the NAV of the shares of the Fund, generally will vary inversely in relation to changes in prevailing interest rates.

The value of Fund shares may increase or decrease depending on market, economic, political, regulatory and other conditions affecting the Fund's portfolio. Investment in shares of the Fund is more volatile and risky than some other forms of investment.

CYBER SECURITY RISK

With the increased use of technologies such as the internet to conduct business, the Fund is susceptible to operational, information security and related risks. In general, cyber incidents can result from deliberate attacks or unintentional events. Cyber-attacks include, but are not limited to, gaining unauthorized access to digital systems (e.g., through "hacking" or malicious software coding) for purposes of misappropriating assets or sensitive information, corrupting data, or causing operational disruption. Cyber-attacks may also be carried out in a manner that does not require gaining unauthorized access, such as causing denial-of-service attacks on websites (i.e., efforts to make network services unavailable to intended users). Cyber security failures or breaches by the Fund's Adviser and other service providers (including, but not limited to, Fund accountant, custodian, transfer agent and administrator), and the issuers of securities in which the Fund invests, have the ability to cause disruptions and impact business operations, potentially resulting in financial losses, interference with the Fund's ability to calculate its NAV, impediments to trading, the inability of Fund shareholders to transact business, violations of applicable privacy and other laws, regulatory fines, penalties, reputational damage, reimbursement or other compensation costs, or additional compliance costs. In addition, substantial costs may be incurred in order to prevent any cyber incidents in the future. While the Adviser has established

business continuity plans in the event of, and risk management systems to prevent, such cyber-attacks, there are inherent limitations in such plans and systems including the possibility that certain risks have not been identified. Furthermore, the Fund cannot control the cyber security plans and systems put in place by service providers to the Fund and issuers in which the Fund invests, and such third-party service providers may have limited indemnification obligations to the Fund or the Adviser. The Fund and its shareholders could be negatively impacted as a result.

DEPOSITARY RECEIPTS

The Fund may invest in securities of foreign issuers indirectly through depositary receipts. Depositary receipts may be available through “sponsored” or “unsponsored” facilities. Holders of unsponsored depositary receipts generally bear all of the costs of the unsponsored facility. The depository of an unsponsored facility is frequently under no obligation to distribute shareholder communications received from the issuer of the deposited security or to pass through, to the holders of the receipts, voting rights with respect to the deposited securities. The depository of unsponsored depositary receipts may provide less information to receipt holders.

MARKET RISK

The Fund’s NAV and investment return will fluctuate based upon changes in the value of its investments. The market value of the Fund’s holdings is based upon the market’s perception of value and is not necessarily an objective measure of an investment’s value. There is no assurance that the Fund will realize its investment objective, and an investment in the Fund is not, by itself, a complete or balanced investment program. You could lose money on your investment in the Fund, or the Fund could underperform other investments.

Periods of unusually high financial market volatility and restrictive credit conditions, at times limited to a particular sector or geographic area, have occurred in the past and may be expected to recur in the future. Some countries, including the United States, have adopted or have signaled protectionist trade measures, relaxation of the financial industry regulations that followed the financial crisis, and/or reductions to corporate taxes. The scope of these policy changes is still developing, but the equity and debt markets may react strongly to expectations of change, which could increase volatility, particularly if a resulting policy runs counter to the market’s expectations. The outcome of such changes cannot be foreseen at the present time. In addition, geopolitical and other risks, including environmental and public health risks, may add to instability in the world economy and markets generally. As a result of increasingly interconnected global economies and financial markets, the value and liquidity of the Fund’s investments may be negatively affected by events impacting a country or region, regardless of whether the Fund invests in issuers located in or with significant exposure to such country or region.

A recent outbreak of respiratory disease caused by a novel coronavirus was first detected in China in December 2019 and has spread internationally. The outbreak has resulted in closing borders and quarantines, enhanced health screenings, cancellations, disrupted supply chains and customer activity, and has produced general concern and uncertainty. The impact of this coronavirus, and other epidemics and pandemics that may arise in the future, could affect national and global economies, individual companies and the market in general in a manner that cannot be foreseen at the present time. Health crises caused by the recent outbreak may heighten other pre-existing political, social and economic risks in a country or region. In the event of a pandemic or an outbreak, there can be no assurance that the Fund and its service providers will be able to maintain normal business operations for an extended period of time or will not lose the services of key personnel on a temporary or long-term basis due to illness or other reasons. The full impacts of a pandemic or disease outbreaks are unknown, resulting in a high degree of uncertainty for potentially extended periods of time.

SECURITIES OF SMALL COMPANIES

Investments in common stocks in general are subject to market, economic and business risks that will cause their price to fluctuate over time. While securities of small market value companies may offer greater opportunity for capital appreciation than the securities of larger companies, investment in smaller companies presents greater risks than investment in larger, more established companies. Historically, small market value stocks have been more volatile in price than larger market value stocks. Among the reasons for the greater price volatility of small market value stocks are the lower degree of liquidity in the markets for such stocks, and the potentially greater sensitivity of such small companies to changes in or failure of management and changes in competitive, business, industry and economic conditions. Besides exhibiting greater volatility, small company stocks may, to a degree, fluctuate independently of larger company stocks. Small company stocks may decline in price as large company stocks rise, or rise in price as large company stocks decline. You should therefore expect that the price of the Fund's shares will be more volatile than the shares of a fund that invests in larger capitalization stocks. Additionally, such securities may trade less frequently and in smaller volume than more widely held securities. The values of these securities may fluctuate more sharply than those of other securities, and the Fund may experience some difficulty in establishing or closing out positions in these securities at prevailing market prices. There may be less publicly available information about the issuers of these securities or less market interest in such securities than in the case of larger companies, and it may take a longer period of time for the prices of such securities to reflect the full value of their issuers' underlying earnings potential or assets. The Fund should not be considered suitable for you if you are unable or unwilling to assume the risks of loss associated with such an investment program, nor should investment in the Fund be considered a balanced or complete investment program.

BROAD-BASED SECURITIES MARKET INDEX

The Russell 2000[®] Index is an unmanaged index that is comprised of the 2,000 smallest of the 3,000 largest U.S. domiciled corporations, ranked by market capitalizations. As of November 30, 2020, the median capitalization of the Russell 2000[®] Index was \$796 million. Please note that this information is as of a particular point in time and is subject to change.

DISCLOSURE OF PORTFOLIO HOLDINGS

A description of the Company's policies and procedures with respect to the disclosure of the Fund's portfolio securities is available in the Fund's Statement of Additional Information ("SAI"). The SAI is incorporated herein.

MANAGEMENT OF THE FUND

INVESTMENT ADVISER

The Adviser's principal address is 2310 Washington Street, Suite 310, Newton Lower Falls, Massachusetts 02462. The Adviser manages the Fund's investment activities, subject to the authority of the Board. The Adviser has provided investment management and investment advisory services to the Fund and other institutional accounts since 1999.

Pursuant to an investment advisory agreement with the Company, the Adviser is entitled to an advisory fee computed daily and payable monthly at the annual rate of 1.00% of the Fund's average daily net assets. The Adviser has contractually agreed to waive management fees and reimburse expenses to the extent that Total Annual Fund Operating Expenses (excluding certain items discussed below) exceed 1.25% for the Fund. In determining the Adviser's obligation to waive advisory fees and/or reimburse expenses, the following expenses are not taken into account and certain of these expenses could cause net Total Annual Fund Operating Expenses to exceed 1.25%: acquired fund fees and expenses, brokerage commissions, extraordinary items, interest or taxes. If at any time the Fund's total annual Fund operating expenses (not including acquired fund fees and expenses, brokerage commissions, extraordinary items, interest and taxes) for a year are less than 1.25%, the Adviser may recoup any waived or reimbursed amounts from the Fund within three years from the date on which such waiver or reimbursement was made by the Adviser, provided such reimbursement does not cause the Fund to exceed the expense limitations that were in effect at the time of the waiver or reimbursement. If at any time the Fund's Total Annual Fund Operating Expenses are less than 1.25% (excluding certain items), then the Adviser is entitled to reimbursement by the Fund of the advisory fees forgone and other payments remitted by the Adviser to the Fund within three years from the date on which such waiver or reimbursement was made. This contractual limitation is in effect until December 31, 2021 and may not be terminated without the approval of the Board. For the fiscal year ended August 31, 2020, after waivers, the Adviser received 0.87% of the Fund's average net assets in investment advisory fees from the Fund. Had fee waivers not been in place, the Adviser would have received 1.00% of the Fund's average net assets in investment advisory fees from the Fund.

A discussion regarding the basis for the Board's approval of the Fund's investment advisory agreement with the Adviser is available in the Fund's annual report to shareholders dated August 31, 2020.

PORTFOLIO MANAGER

John C. Bogle, Jr. serves as portfolio manager of the Fund. Mr. Bogle founded the Adviser in 1999 and currently serves as its President. From 1990 to 1999, Mr. Bogle was a Managing Director of Numeric Investors LLC[®] (formerly Numeric Investors L.P.), a quantitative investment management firm.

The SAI provides additional information about the portfolio manager's compensation, other accounts managed by the portfolio manager and the portfolio manager's ownership of shares in the Fund.

SHAREHOLDER INFORMATION

PRICING OF FUND SHARES

Shares of the Fund are priced at their NAV. The NAV of the Fund is calculated as follows:

$$\text{NAV} = \frac{\text{Value of Assets Attributable to the Fund} - \text{Value of Liabilities Attributable to the Fund}}{\text{Number of Outstanding Shares of the Fund}}$$

The Fund's NAV is calculated once daily at the close of regular trading hours on the NYSE (generally 4:00 p.m. Eastern time) on each day the NYSE is open. The NYSE is generally open Monday through Friday, except national holidays. The NYSE also may be closed on national days of mourning or due to a natural disaster or other extraordinary events or emergency. The Fund will effect purchases and redemptions of Fund shares at the NAV next calculated after receipt by the Transfer Agent of your purchase order or redemption request in good order.

The Fund's equity securities listed on any national or foreign exchange market system will be valued at the last sale price, except for the National Association of Securities Dealers Automatic Quotation System ("NASDAQ"). Equity securities listed on the NASDAQ will be valued at the official closing price. Equity securities traded in the over-the-counter market are valued at their closing prices. If there were no transactions on that day, equity securities will be valued at the mean of the last bid and ask prices prior to the market close. Fixed income securities are valued using independent pricing services which considers such factors as security prices, yields, maturities and ratings, and are deemed representative of market values at the close of the market. If the Fund holds securities that are primarily listed on non-U.S. exchanges, the NAV of the Fund's shares may change on days when shareholders will not be able to purchase or redeem the Fund's shares.

Investments in other open-end investment companies are valued based on the NAV of those investment companies (which may use fair value pricing as discussed in their prospectuses). Investments in exchange-traded and closed-end funds will be valued at their market price.

If market quotations are unavailable or deemed unreliable by the Fund's administrator, in consultation with the Adviser, securities will be fair valued by the Adviser in accordance with procedures adopted by the Board and under the Board's ultimate supervision. Relying on prices supplied by pricing services or dealers or using fair valuation involves the risk that the values used by the Fund to price its investments may be higher or lower than the values used by other investment companies and investors to price the same investments.

MARKET TIMING

In accordance with the policy adopted by its Board, the Company discourages and does not accommodate market timing and other excessive trading practices. Purchases should be made with a view to longer-term investment only. Excessive short-term (market timing) trading practices may disrupt portfolio management strategies, increase brokerage and administrative costs, harm Fund performance and result in dilution in the value of Fund shares held by long-term shareholders. The Company and the Adviser reserve the right to (i) reject a purchase or exchange order, (ii) delay payment of immediate cash redemption proceeds for up to seven calendar days, (iii) revoke a shareholder's privilege to purchase Fund shares (including exchanges), or (iv) limit the amount of any exchange involving the purchase of Fund shares. An investor may receive notice that their purchase order or exchange has been rejected after the day the order is placed or after acceptance by a financial intermediary. It is currently expected that a shareholder would receive notice that its purchase order or exchange has been rejected within 48 hours after such purchase order or exchange has been received by the Company in good order. The Company and the Adviser will not be liable for any loss resulting from rejected purchase orders. To minimize harm to the Company and its shareholders (or the Adviser), the Company (or the Adviser) will exercise its right if, in the Company's (or the Adviser's) judgment, an investor has a history of excessive trading or if an investor's trading, in the judgment of the Company (or the Adviser), has been or may be disruptive to the Fund. No waivers of the provisions of the policy established to detect and deter market timing and other excessive trading activity are permitted that would harm the Fund and its shareholders or would subordinate the interests of the Fund and its shareholders to those of the Adviser or any affiliated person or associated person of the Adviser.

Pursuant to the policy adopted by the Board, the Adviser has developed criteria that it uses to identify trading activity that may be excessive. If, in its judgment, the Adviser detects excessive, short-term trading, the Adviser may reject or restrict a purchase request and may further seek to close an investor's account with the Fund.

There is no assurance that the Fund will be able to identify market timers, particularly if they are investing through intermediaries.

If necessary, the Company may prohibit additional purchases of Fund shares by a financial intermediary or by certain customers of the financial intermediary. Financial intermediaries may also monitor their customers' trading activities in the Fund. The criteria used by intermediaries to monitor for excessive trading may differ from the criteria used by the Company. If a financial intermediary fails to enforce the Company's excessive trading policies, the Company may take certain actions, including terminating the relationship.

PURCHASE OF FUND SHARES

PURCHASE OF SHARES OF THE FUND THROUGH AN INSTITUTIONAL ORGANIZATION

Shares of the Fund may be sold to corporations or other institutions such as trusts, foundations or broker-dealers purchasing for the accounts of others ("Institutional Organizations"). If you purchase shares of the Fund through an Institutional Organization, you may be charged a transaction-based fee or other fee for the services of such organization. Each Institutional Organization is responsible for transmitting to its customers a schedule of any such fees and information regarding any additional or different conditions regarding purchases. Customers of Institutional Organizations should read this Prospectus in light of the terms governing accounts with their Institutional Organization. The Fund does not pay compensation to or receive compensation from Institutional Organizations for the sale of shares of the Fund.

Certain Institutional Organizations may have agreements with the Fund and may be responsible for promptly transmitting client or customer purchase and redemption orders to the Fund in accordance with such agreements. An Institutional Organization or, if applicable, its designee that has entered into such an agreement with the Fund or its agent may enter confirmed purchase orders on behalf of clients and customers, with payment to follow no later than the Fund's pricing on the following business day. If payment is not received by such time, the Institutional Organization could be held liable for resulting fees or losses. The Fund will be deemed to have received a purchase or redemption order when an Institutional Organization, or if applicable, its authorized designee, accepts a purchase or redemption order in good order. Orders received by the Fund in good order will be priced at the Fund's NAV next computed after they are accepted by the Institutional Organization or its authorized designee. If a purchase order is not received by the Fund in good order, the Transfer Agent will contact the Institutional Organization to determine the status of the purchase order.

PURCHASE OF SHARES OF THE FUND THROUGH A SHAREHOLDER SERVICING AGENT

Purchase orders for shares of the Fund may be placed through a financial intermediary ("Shareholder Servicing Agent") and are subject to such investment minimums and other terms and conditions as may be imposed by Shareholder Servicing Agents from time to time. Shareholder Servicing Agents may offer additional services to their customers. For further information as to how to direct a Shareholder Servicing Agent to purchase shares of the Fund on your behalf, you should contact your Shareholder Servicing Agent or the Fund's distributor.

Certain Shareholder Servicing Agents may have agreements with the Fund and may be responsible for promptly transmitting client or customer purchase and redemption orders to the Fund in accordance with such agreements. A Shareholder Servicing Agent or, if applicable, its designee that has entered into such an agreement with the Fund or its agent may enter confirmed purchase orders on behalf of clients and customers, with payment to follow no later than the Fund's pricing on the following business day. If payment is not received by such time, the Shareholder Servicing Agent could be held liable for resulting fees or losses. The Fund will be deemed to have received a purchase or redemption order when the Shareholder Servicing Agent, or if applicable, its authorized designee, accepts a purchase or redemption order in good order. Orders received by the Fund in good order will be priced at the Fund's NAV next computed after they are accepted by the Shareholder Servicing Agent or its authorized designee. If a purchase order is not received by the Fund in good order, the Transfer Agent will contact the Shareholder Servicing Agent to determine the status of the purchase order.

PAYMENTS TO INSTITUTIONAL ORGANIZATIONS AND SHAREHOLDER SERVICING AGENTS

The Fund has certain arrangements in place to compensate Institutional Organizations and Shareholder Servicing Agents directly for services that they provide to beneficial shareholders ("Shareholder Services"). Shareholder Services may include sub-accounting, sub-transfer agency, participant recordkeeping, shareholder or participant reporting, shareholder or participant transaction processing, maintenance of shareholder records, preparation of account statements and provision of customer service. Payments for Shareholder Services vary by selling agent but generally are not expected, with certain limited exceptions, to exceed 0.10% of the average daily net asset value of the shares beneficially owned by the selling agent's clients.

PURCHASE OF SHARES OF THE FUND THROUGH THE FUND'S TRANSFER AGENT

You may also purchase shares of the Fund directly from the Fund at the NAV per share next calculated after your order is received by the Transfer Agent in good order. The Fund's NAV is calculated once daily at the close of regular trading hours on the NYSE (generally 4:00 p.m. Eastern time) on each day the NYSE is open.

After an initial purchase is made, the Transfer Agent will set up an account for you on the Fund's records, which will show all of your transactions and the balance of the shares you own. You can purchase shares of the Fund only on days the NYSE is open and through the means described below. The Adviser is authorized to waive the minimum initial and subsequent investment requirements.

Initial Investment By Mail. Subject to acceptance by the Fund, an account may be opened by completing and signing an account application and mailing it to the Fund at the address noted below, together with a check (\$10,000 minimum; \$2,000 minimum for IRA accounts) payable to Bogle Investment Management Small Cap Growth Fund. All checks must be in U.S. Dollars drawn on a domestic bank. The Fund will not accept payment in cash or money orders. The Fund does not accept post-dated checks or any conditional order or payment. To prevent check fraud, the Fund will not accept third party checks, Treasury checks, credit card checks, traveler's checks or starter checks for the purchase of shares.

Regular Mail:

Bogle Investment Management
Small Cap Growth Fund
c/o U.S. Bank Global Fund Services
P.O. Box 701
Milwaukee, WI 53201-0701

Overnight Mail:

Bogle Investment Management
Small Cap Growth Fund
c/o U.S. Bank Global Fund Services
615 East Michigan Street
Milwaukee, WI 53202-5207

The Fund does not consider the U.S. Postal Service or other independent delivery services to be its agents. Therefore, deposit in the mail or with such services, or receipt at the Transfer Agent's post office box, of purchase orders or redemption requests does not constitute receipt by the Transfer Agent of the Fund. Receipt of purchase orders or redemption requests is based on when the order is received at the Transfer Agent's offices.

Shares of the Fund will be purchased at the NAV next computed after the time the application and funds are received in proper order and accepted by the Fund. The Transfer Agent will charge a \$25 fee against a shareholder's account, in addition to any loss sustained by the Fund, for any payment that is returned. It is the policy of the Fund not to accept applications under certain circumstances or in amounts considered disadvantageous to shareholders. The Fund reserves the right to reject any application.

Initial Investment By Wire. If you are making your first investment in the Fund, before you wire funds, the Transfer Agent must have a completed account application. You may mail or overnight deliver your account application to the Transfer Agent. Upon receipt of your completed account application, the Transfer Agent will establish an account for you. The account number assigned will be required as part of the instruction that should be provided to your bank to send the wire. Your bank must include both the name of the Fund you are purchasing, the account number, and your name so that monies can be correctly applied. Your bank should transmit funds by wire to:

Wire Instructions:

U.S. Bank National Association
777 East Wisconsin Ave
Milwaukee WI 53202
ABA 075000022

Credit:

U.S. Bancorp Fund Services, LLC
Account #112-952-137

For Further Credit to:

Bogle Investment Management Small Cap Growth Fund
(shareholder registration)
(shareholder account number)

Wired funds must be received prior to 4:00 p.m. Eastern time to be eligible for same day pricing. The Fund and U.S. Bank, N.A. are not responsible for the consequences of delays resulting from the banking or Federal Reserve wire system, or from incomplete wiring instructions.

Subsequent Investments By Wire

Before sending your wire, please contact the Transfer Agent to advise them of your intent to wire funds. This will ensure prompt and accurate credit upon receipt of your wire.

Additional Investments. Additional investments may be made at any time (\$250 minimum; \$100 minimum for IRA accounts) by purchasing shares at the NAV per share of the Fund by mailing a check to the Transfer Agent at the address noted under “Initial Investment By Mail” or by wiring monies as outlined above under “Initial Investment By Wire.” Initial and additional purchases made by check or electronic funds transfer (ACH) cannot be redeemed until payment of the purchase has been collected. This may take up to 15 calendar days from the purchase date. Shareholders can avoid this delay by utilizing the wire purchase option.

Automatic Investment Plan. Once your account has been opened with the initial minimum investment you may make additional purchases at regular intervals through the automatic investment plan (the “Automatic Investment Plan”). The Automatic Investment Plan provides a convenient method to have monies deducted from your bank account, for investment into the Fund, on a monthly or quarterly basis. In order to participate in the Automatic Investment Plan, your financial institution must be a member of the Automated Clearing House (“ACH”) network. The minimum monthly payment for Fund shares is \$100, and the minimum quarterly payment is \$300. If your bank rejects your payment, the Fund’s transfer agent will charge a \$25 fee to your account. To begin participating in the Automatic Investment Plan, please complete the Automatic Investment Plan section on the account application or call the Fund’s transfer agent at 1-877-264-5346. Any request to change or terminate your Automatic Investment Plan should be submitted to the Transfer Agent five (5) days prior to effective date.

Retirement Plans/IRA Accounts. The Fund offers prototype documents for a variety of retirement accounts for individuals and small businesses. Please call 1-877-264-5346 for information on:

- Individual Retirement Plans, including Traditional IRAs and Roth IRAs
- Small Business Retirement Plans, including Simple IRAs and SEP IRAs
- Coverdell Education Savings Accounts

There may be special distribution requirements for a retirement account, such as required distributions or mandatory Federal income tax withholding. For more information, call the number previously listed. You will be charged up to a \$15 annual account maintenance fee for each retirement account up to a maximum of \$30 annually and a \$25 fee for transferring assets to another custodian or for closing a retirement account.

Purchases In-Kind. In certain circumstances, shares of the Fund may be purchased “in-kind” (i.e. in exchange for securities, rather than cash). The securities rendered in connection with an in-kind purchase must be liquid securities that are not restricted as to transfer and have a value that is readily ascertainable in accordance with the Company’s valuation procedures. Securities accepted by the Fund will be valued, as set forth in this Prospectus, as of the time

of the next determination of NAV after such acceptance. The Shares of the Fund that are issued to the investor in exchange for the securities will be determined as of the same time. All dividend, subscription, or other rights that are reflected in the market price of accepted securities at the time of valuation become the property of the Fund and must be delivered to the Fund by the investor upon receipt from the issuer. The Fund will not accept securities in exchange for its shares unless such securities are, at the time of the exchange, eligible to be held by the Fund and satisfy such other conditions as may be imposed by the Adviser or the Company. Purchases in-kind may result in the recognition of gain or loss for federal income tax purposes on the securities transferred to the Fund.

Purchases by Telephone. Investors may purchase additional shares of the Fund by calling 1-877-264-5346. If you elected this option on your account application, and your account has been open for at least 7 business days, telephone orders will be accepted via electronic funds transfer from your bank account through the ACH network. You must have banking information established on your account prior to making a purchase. If your order is received prior to 4:00 p.m. Eastern time, your shares will be purchased at the NAV calculated on the day your order is placed. Telephone trades must be received by or prior to market close. During periods of high market activity, shareholders may encounter higher than usual call waits. Please allow sufficient time to place your telephone transaction.

OTHER PURCHASE INFORMATION

The Company reserves the right, in its sole discretion, to suspend the offering of shares of the Fund or to reject purchase orders when, in the judgment of management, such suspension or rejection is in the best interest of the Fund. The Adviser will monitor the Fund's total assets and, subject to Board's approval, may decide to close the Fund at any time to new investments or to new accounts due to concerns that a significant increase in the size of the Fund may adversely affect the implementation of the Fund's strategy. The Adviser, subject to Board's approval, may also choose to reopen the Fund to new investments at any time, and may subsequently close the Fund again should concerns regarding the Fund's size recur. If the Fund closes to new investments, the Fund may be offered only to certain existing shareholders of the Fund and certain other persons, who may be subject to cumulative, maximum purchase amounts, as follows:

- a. persons who already hold shares of the closed Fund directly or through accounts maintained by brokers by arrangement with the Adviser;
- b. existing and future clients of the Adviser and of Financial Advisers and Planners whose clients already hold shares of the closed Fund;
- c. employees of the Adviser and their families (including, among others, spouses, parents and children); and
- d. Directors of the Company.

Distributions to all shareholders of the closed Fund will continue to be reinvested unless a shareholder elects otherwise. The Adviser, subject to the Board's discretion, reserves the right to implement other purchase limitations at the time of closing, including limitations on current shareholders.

Purchases of the Fund's shares will be made in full and fractional shares of the Fund calculated to three decimal places. Certificates for shares will not be issued.

Shares may be purchased and subsequent investments may be made by principals and employees of the Adviser, and by their family members, either directly or through their IRAs and by any pension and profit-sharing plan of the Adviser, without being subject to the minimum investment limitation. The Company's officers are authorized to waive the minimum initial and subsequent investment requirements.

Good Order. A purchase request is considered to be in good order when the purchase request includes the name of the Fund, the dollar amount of shares to be purchased, your account application or investment stub, and a check payable to the Fund. Purchase requests not in good order may be rejected.

CUSTOMER IDENTIFICATION PROGRAM

Federal law requires the Company to obtain, verify and record identifying information, which may include the name, residential or business street address, date of birth (for an individual), social security or taxpayer identification number or other identifying information for each investor who opens or reopens an account with the Company. If you are opening the account in the name of a legal entity (e.g., partnership, limited liability company, business trust, corporation, etc.), you must also supply the identity of the beneficial owners. Mailing addresses containing only a P.O. Box will not be accepted. Applications without the required information, or without any indication that a social security or taxpayer identification number has been applied for, may not be accepted. After acceptance, to the extent permitted by applicable law or its customer identification program, the Company reserves the right (a) to place limits on transactions in any account until the identity of the investor is verified; or (b) to refuse an investment in a Company portfolio or to involuntarily redeem an investor's shares and close an account in the event that an investor's identity is not verified. The Company and its agents will not be responsible for any loss in an investor's account resulting from the investor's delay in providing all required identifying information or from closing an account and redeeming an investor's shares when an investor's identity cannot be verified.

REDEMPTION OF FUND SHARES

You may redeem shares of the Fund at the next NAV calculated after a redemption request is received by the Transfer Agent in good order. The Fund's NAV is calculated once daily at the close of regular trading hours on the NYSE (generally 4:00 p.m. Eastern time) on each day the NYSE is open. You can redeem shares of the Fund only on days the NYSE is open and through the means described below.

You may redeem shares of the Fund by mail, or, if you are authorized, by telephone. The value of shares redeemed may be more or less than the purchase price, depending on the market value of the portfolio holdings held by the Fund or other factors.

Redemption By Mail. Your redemption request should be sent to:

Bogle Investment Management
Small Cap Growth Fund
c/o U.S. Bank Global Fund Services
P.O. Box 701
Milwaukee, WI 53201-0701

If sent by overnight mail to:

Bogle Investment Management
Small Cap Growth Fund
c/o U.S. Bank Global Fund Services
615 East Michigan Street
Milwaukee, WI 53202-5207

The Fund does not consider the U.S. Postal Service or other independent delivery services to be its agents. Therefore, deposit in the mail or with such services, or receipt at the Transfer Agent's post office box, of purchase orders or redemption requests does not constitute receipt by the Transfer Agent of the Fund. Receipt of purchase orders or redemption requests is based on when the order is received at the Transfer Agent's offices.

A signature guarantee, from either a Medallion program member or a non-Medallion program member, is required in the following situations:

- If ownership is being changed on your account;
- When redemption proceeds are payable or sent to any person, address or bank account not on record;
- When a redemption is received by the Transfer Agent and the account address has changed within the last 15 calendar days;
- For all redemptions in excess of \$100,000 from any shareholder account.

The Fund may waive any of the above requirements in certain instances. In addition to the situations described above, the Fund and /or the Transfer Agent reserve the right to require a signature guarantee in other instances based on the circumstances relative to the particular situation.

Non-financial transactions, including establishing or modifying certain services on an account, may require a signature guarantee, signature verification from a Signature Validation Program member, or other acceptable form of authentication from a financial institution source.

Signature guarantees will generally be accepted from domestic banks, brokers, dealers, credit unions, national securities exchanges, registered securities associations, clearing agencies and savings associations, as well as from participants in the New York Stock Exchange Medallion Signature Program and the Securities Transfer Agents Medallion Program ("STAMP"). A notary public is not an acceptable signature guarantor.

Redemption By Telephone. In order to utilize the telephone redemption option, you must indicate that option on your account application. You may then initiate a redemption of shares up to \$100,000 by calling the Transfer Agent at 1-877-264-5346.

Investors may have a check sent to the address of record, proceeds may be wired to a shareholder's bank account of record, or funds may be sent via electronic funds transfer through the ACH network, also to the bank account of record. Wires are subject to a \$15 fee paid by the investor, but the investor does not incur any charge when proceeds are sent via the ACH system.

Once a telephone transaction has been placed, it cannot be canceled or modified after the close of regular trading on the NYSE (generally, 4:00 p.m., Eastern time).

Telephone trades must be received by or prior to market close. During periods of high market activity, shareholders may encounter higher than usual call waits. Please allow sufficient time to place your telephone transaction.

Before executing an instruction received by telephone, the Transfer Agent will use reasonable procedures to confirm that the telephone instructions are genuine. The telephone call may be recorded and the caller may be asked to verify certain personal identification information. If the Fund or its agents follow these procedures, they cannot be held liable for any loss, expense or cost arising out of any telephone redemption request that is

reasonably believed to be genuine. This includes fraudulent or unauthorized requests. If an account has more than one owner or authorized person, the Fund will accept telephone instructions from any one owner or authorized person.

IRA and other retirement plan redemptions

If you have an IRA, you must indicate on your written redemption request whether or not to withhold federal income tax. Redemption requests failing to indicate an election to have tax withheld will be subject to 10% withholding.

Shares held in IRA accounts may be redeemed by telephone at 1-877-264-5346. Investors will be asked whether or not to withhold taxes from any distribution.

Involuntary Redemption. The Fund reserves the right to redeem a shareholder's account in the Fund (other than those in an IRA account) at any time the value of the account falls below \$500. Shareholders will be notified in writing that the value of their account is below \$500 and will be allowed 30 days to make additional investments before the involuntary redemption is processed.

The Fund may assert the right to redeem your shares at the current NAV at any time and without prior notice if, and to the extent that, such redemption is necessary to reimburse the Fund for any loss sustained by reason of your failure to make full payment for shares of the Fund you previously purchased or for which you subscribed.

If you purchased Fund shares through a Shareholder Servicing Agent, you must place all redemption orders for Fund shares through that Shareholder Servicing Agent in accordance with instructions or limitations pertaining to your account with your Shareholder Servicing Agent. Redemption orders for Fund shares are effected at the NAV next determined after the order is received by the Transfer Agent. While no redemption fee is imposed by the Fund, Shareholder Servicing Agents may charge your account for redemption services. You should contact your Shareholder Servicing Agent or the Transfer Agent for further information regarding redemption of Fund shares, including the availability of wire or telephone redemption privileges, or whether you may elect to participate in a systematic withdrawal plan.

Systematic Withdrawal Plan. As another convenience, you may redeem your Fund shares through the Systematic Withdrawal Plan (the "Plan"). Under the Plan, you may choose to receive a specified dollar amount, generated from the redemption of shares in your account, on a monthly, quarterly or annual basis. In order to participate in the Plan, your account balance must be at least \$10,000 and each payment should be a minimum of \$100. If you elect this method of redemption, the Fund will send a check to your address of record or will send the payment via electronic funds transfer through the ACH network directly to your bank account. For payment through the ACH network, your bank must be an ACH member and your bank account information must be maintained on your Fund account. This Plan may be terminated at any time by the Fund. You may also elect to terminate your participation in this Plan at any time by contacting the Transfer Agent at least five (5) days prior to the next scheduled withdrawal.

A withdrawal under the Plan involves a redemption of shares and may result in a gain or loss for federal income tax purposes. In addition, if the amount requested to be withdrawn exceeds the amount available in your account, which includes any dividends credited to your account, the account will ultimately be depleted.

OTHER REDEMPTION INFORMATION

Redemption proceeds for shares of the Fund recently purchased by check or electronic funds transfer through the ACH network may not be distributed until payment for the purchase has been collected, which may take up to fifteen calendar days from the purchase date. Shareholders can avoid this delay by utilizing the wire purchase option. Redemption proceeds will ordinarily be paid within seven business days after a redemption request is received by the Transfer Agent in good order. The Company may suspend the right of redemption or postpone the date at times when the NYSE or the bond market is closed or under any emergency circumstances as determined by the SEC. The Fund typically expects to meet redemption requests by paying out proceeds from cash or cash equivalent portfolio holdings, or by selling portfolio securities. In stressed market conditions, redemption methods may include redeeming in-kind.

If the Board determines that it would be detrimental to the best interests of the remaining shareholders of the Fund to make payment wholly or partly in cash, the Fund may pay the redemption proceeds in whole or in part by a distribution in-kind of readily marketable securities held by the Fund in lieu of cash in conformity with applicable rules of the SEC and the Company's Policy and Procedures Related to the Processing of In-Kind Redemptions. Investors generally will incur brokerage charges on the sale of portfolio securities so received in the payment of redemptions. If a shareholder receives redemption proceeds in-kind, the shareholder will bear the market risk of the securities received in the redemption until their disposition and should expect to incur transaction costs upon the disposition of the securities. The Company has elected, however, to be governed by Rule 18f-1 under the Investment Company Act of 1940, as amended, so that the Fund is obligated to redeem its shares solely in cash up to the lesser of \$250,000 or 1% of its NAV during any 90-day period for any one shareholder of the Fund.

Good Order. A redemption request is considered to be in good order when the redemption request includes the name of the Fund, the number of shares or dollar amount to be redeemed, the account number, and signatures by all of the shareholders whose names appear on the account registration with a signature guarantee, if applicable.

DIVIDENDS AND DISTRIBUTIONS

The Fund declares and pays dividends of substantially all of its net investment income annually. The Fund distributes, at least annually, substantially all net realized capital gains, if any, earned. The Fund will inform shareholders of the amount and nature of all such income or gains.

Dividends are paid in the form of additional shares of the Fund, unless you have elected prior to the date of distribution to receive payment in cash. Dividends that are otherwise taxable are taxable to you whether received in cash or in additional shares of the Fund.

All distributions will be reinvested in Fund shares unless you elect to receive cash. If you elect to receive distributions and/or capital gains paid in cash, and the U.S. Postal Service cannot deliver the check, or if a check remains outstanding for six months, the Fund reserves the right to reinvest the distribution check in your account, at the Fund's current NAV, and to reinvest all subsequent distributions. You may change the distribution option on your account at any time. You should notify the Transfer Agent in writing or by telephone at least five (5) days prior to the next distribution.

TAXES

The following is a summary of certain U.S. tax considerations relevant under current law, which may be subject to change in the future. Except where otherwise indicated, the discussion relates to investors who are individual U.S. citizens or residents. You should consult your tax adviser for further information regarding federal, state, local and/or foreign tax consequences relevant to your specific situation.

Federal Taxes of Distributions. The Fund contemplates distributing as dividends each year all or substantially all of its taxable income, including its net capital gain (the excess of net long-term capital gain over net short-term capital loss). Except as otherwise discussed below, you will be subject to federal income tax on Fund distributions regardless of whether they are paid in cash or reinvested in additional shares. Fund distributions attributable to short-term capital gains and net investment income will generally be taxable to you as ordinary income, except as discussed below.

Distributions attributable to the net capital gain of the Fund will be taxable to you as long-term capital gain, no matter how long you have owned your Fund shares. The maximum long-term capital gain rate applicable to individuals, estates, and trusts is currently 23.8% (which includes a 3.8% Medicare tax). You will be notified annually of the tax status of distributions to you.

Distributions of “qualifying dividends” will also generally be taxable to you at long-term capital gain rates, as long as certain requirements are met. In general, if 95% or more of the gross income of the Fund (other than net capital gain) consists of dividends received from domestic corporations or “qualified” foreign corporations (“qualifying dividends”), then all distributions paid by the Fund to individual shareholders will be taxed at long-term capital gains rates. But if less than 95% of the gross income of the Fund (other than net capital gain) consists of qualifying dividends, then distributions paid by the Fund to individual shareholders will be qualifying dividends only to the extent they are derived from qualifying dividends earned by the Fund. For the lower rates to apply, you must have owned your Fund shares for at least 61 days during the 121-day period beginning on the date that is 60 days before the Fund’s ex-dividend date (and the Fund will need to have met a similar holding period requirement with respect to the shares of the corporation paying the qualifying dividend). The amount of the Fund’s distributions that qualify for this favorable treatment may be reduced as a result of the Fund’s securities lending activities (if any), a high portfolio turnover rate or investments in debt securities or non-qualified foreign corporations.

Distributions from the Fund will generally be taxable to you in the taxable year in which they are paid, with one exception. Distributions declared by the Fund in October, November or December and paid in January of the following year are taxed as though they were paid on December 31.

A portion of distributions paid by the Fund to shareholders that are corporations may also qualify for the dividends-received deduction for corporations, subject to certain holding period requirements and debt financing limitations. The amount of dividends qualifying for this deduction may, however, be reduced as a result of the Fund’s securities lending activities (if any), by a high portfolio turnover rate or by investments in debt securities or non-qualified foreign corporations.

If you purchase shares just before a distribution, the purchase price will reflect the amount of the upcoming distribution, but you will be taxed on the entire amount of the distribution received, even though, as an economic matter, the distribution simply constitutes a return of capital. This adverse tax result is known as “buying into a dividend.”

Sales of Shares. You will generally recognize taxable gain or loss for federal income tax purposes on a sale or redemption of your shares based on the difference between your tax basis in the shares and the amount you receive for them. Generally, you will recognize long-term capital gain or loss if you have held your Fund shares for over twelve months at the time you dispose of them.

Any loss realized on shares held for six months or less will be treated as a long-term capital loss to the extent of any capital gain dividends that were received on the shares. Additionally, any loss realized on a disposition of shares of the Fund may be disallowed under “wash sale” rules to the extent the shares disposed of are replaced with other shares of the Fund within a period of 61 days beginning 30 days before and ending 30 days after the shares are disposed of, such as pursuant to a dividend reinvestment in shares of the Fund. If disallowed, the loss will be reflected in an upward adjustment to the basis of the shares acquired.

For shares acquired on or after January 1, 2012, the Fund (or relevant broker or financial adviser) is required to compute and report to the Internal Revenue Service (“IRS”) and furnish to Fund shareholders cost basis information when such shares are sold. The Fund has elected to use the average cost method, unless you instruct the Fund to use a different IRS-accepted cost basis method, or choose to specifically identify your shares at the time of each sale. If your account is held by your broker or other financial adviser, they may select a different cost basis method. In these cases, please contact your broker or other financial adviser to obtain information with respect to the available methods and elections for your account. You should carefully review the cost basis information provided by the Fund and make any additional basis, holding period or other adjustments that are required when reporting these amounts on your federal and state income tax returns. Fund shareholders should consult with their tax advisers to determine the best IRS-accepted cost basis method for their tax situation and to obtain more information about how the cost basis reporting requirements apply to them.

IRAs and Other Tax-Qualified Plans. The one major exception to the preceding tax principles is that distributions on, and sales and redemptions of, shares held in an IRA (or other tax-qualified plan) will not be currently taxable unless such shares were acquired with borrowed funds.

Backup Withholding. The Fund may be required in certain cases to withhold and remit to the IRS a percentage of taxable dividends or gross proceeds realized upon sale payable to shareholders who have failed to provide a correct tax identification number in the manner required, or who are subject to withholding by the IRS for failure to properly include on their return payments of taxable interest or dividends, or who have failed to certify to the Fund that they are not subject to backup withholding when required to do so or that they are “exempt recipients.” The current backup withholding rate is 24%.

U.S. Tax Treatment of Foreign Shareholders. Generally, nonresident aliens, foreign corporations and other foreign investors are subject to a 30% withholding tax on dividends paid by a United States corporation, although the rate may be reduced for an investor that is a qualified resident of a foreign country with an applicable tax treaty with the U.S. In the case of a regulated investment company such as the Fund, however, certain categories of dividends are exempt from the 30% withholding tax. These generally include dividends attributable to the Fund’s net capital gains (the excess of net long-term capital gains over net short-term capital losses), dividends attributable to the Fund’s interest income from U.S. obligors and dividends attributable to net short-term capital gains of the Fund.

Foreign shareholders will generally not be subject to U.S. tax on gains realized on the sale or redemption of shares of the Fund, except that a nonresident alien individual who is present in the U.S. for 183 days or more in a calendar year will be taxable on such gains and on capital gain dividends from the Fund.

In contrast, if a foreign investor conducts a trade or business in the United States and the investment in the Fund is effectively connected with that trade or business, then the foreign investor's income from the Fund will generally be subject to U.S. federal income tax at graduated rates in a manner similar to the income of a U.S. citizen or resident.

The Fund will also generally be required to withhold 30% tax on certain payments to foreign entities that do not provide a Form W-8BEN-E that evidences their compliance with, or exemption from, specified information reporting requirements under the Foreign Account Tax Compliance Act.

All foreign investors should consult their own tax advisers regarding the tax consequences in their country of residence of an investment in the Fund.

Shares of the Fund have not been registered for sale outside of the United States or certain United States territories.

State and Local Taxes. You may also be subject to state and local taxes on income and gain from Fund shares. State income taxes may not apply, however, to the portions of the Fund's distributions, if any, that are attributable to interest on U.S. government securities. You should consult your tax adviser regarding the tax status of distributions in your state and locality.

More information about taxes is contained in the Fund's SAI.

CONSIDERATIONS FOR TAXABLE INVESTORS

Those investment strategies that require periodic changes to portfolio holdings with the expectation of outperforming equity indices are typically referred to as "active" strategies. These strategies contrast with "passive" index strategies that buy and hold only the stocks in the equity indices. Passive strategies tend to trade infrequently — only as the stocks in the indices change (largely due to changes in the sizes of the companies in the indices, takeovers or bankruptcies). Most equity mutual funds pursue active strategies, which have higher portfolio turnover than passive strategies.

The generally higher portfolio turnover of active investment strategies can adversely affect taxable investors, especially those in higher marginal tax brackets, in two ways. First, fund short-term capital gains, which often accompany higher turnover investment strategies, are currently taxed to shareholders as ordinary income. Ordinary income tax rates are higher than long-term capital gain tax rates for middle and upper income taxpayers. Thus, the tax liability is often higher for investors in active strategies. Second, the more frequent realization of gains caused by higher turnover investment strategies means that taxes will be paid sooner. Such acceleration of the tax liability is financially more costly to investors. Less frequent realization of capital gains allows the payment of taxes to be deferred until later years, allowing more of the gains to compound before taxes are paid. Consequently, after-tax compound rates of return will generally be higher for taxable investors using investment strategies with very low turnover, compared with high turnover strategies. The difference is particularly large when the general market rates of return are higher than average.

Although tax considerations should not typically drive investment decisions, the Adviser recommends that all of its investors consider their ability to allocate tax-deferred or non-taxable assets (such as IRAs and other retirement plans) to active strategies, and taxable assets to lower turnover passive strategies, when considering their investment options.

ADDITIONAL INFORMATION

Householding. In an effort to decrease costs, the Fund intends to reduce the number of duplicate prospectuses and annual and semi-annual reports you receive by sending only one copy of each to those addresses shared by two or more accounts and to shareholders we reasonably believe are from the same family or household. Once implemented, if you would like to discontinue householding for your accounts, please call toll-free at 1-877-264-5346 to request individual copies of these documents. Once the Fund receives notice to stop householding, we will begin sending individual copies thirty days after receiving your request. This policy does not apply to account statements.

Lost Shareholders, Inactive Accounts and Unclaimed Property. It is important that the Fund maintains a correct address for each shareholder. An incorrect address may cause a shareholder's account statements and other mailings to be returned to the Fund. Based upon statutory requirements for returned mail, the Fund will attempt to locate the shareholder or rightful owner of the account. If the Fund is unable to locate the shareholder, then it will determine whether the shareholder's account can legally be considered abandoned. Your mutual fund account may be transferred to the state government of your state of residence if no activity occurs within your account during the "inactivity period" specified in your state's abandoned property laws. The Fund is legally obligated to escheat (or transfer) abandoned property to the appropriate state's unclaimed property administrator in accordance with statutory requirements. The shareholder's last known address of record determines which state has jurisdiction. Please proactively contact the Transfer Agent at 1-877-264-5346 (toll free) at least annually to ensure your account remains in active status.

If you are a resident of the state of Texas, you may designate a representative to receive notifications that, due to inactivity, your mutual fund account assets may be delivered to the Texas Comptroller. Please contact the Transfer Agent if you wish to complete a Texas Designation of Representative form.

NO PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OR MAKE ANY REPRESENTATIONS NOT CONTAINED IN THIS PROSPECTUS OR IN THE FUND'S SAI INCORPORATED HEREIN BY REFERENCE, IN CONNECTION WITH THE OFFERING MADE BY THIS PROSPECTUS AND, IF GIVEN OR MADE, SUCH REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY THE COMPANY OR ITS DISTRIBUTOR. THIS PROSPECTUS DOES NOT CONSTITUTE AN OFFERING BY THE COMPANY OR BY THE DISTRIBUTOR IN ANY JURISDICTION IN WHICH SUCH OFFERING MAY NOT LAWFULLY BE MADE.

FINANCIAL HIGHLIGHTS

The table below sets forth certain financial information for the periods indicated, including per share information results for a single Fund share. The term “Total investment return” indicates how much your investment would have increased or decreased during this period of time and assumes that you have reinvested all dividends and distributions. This information has been derived from the Fund’s financial statements audited by PricewaterhouseCoopers LLP, the Fund’s independent registered public accounting firm. This information should be read in conjunction with the Fund’s financial statements, which, together with the report of the independent registered public accounting firm, are included in the Fund’s annual report, which is available upon request (see back cover for ordering instructions).

	INSTITUTIONAL CLASS

Portfolio turnover rate	302%	344%	349%	366%	380%

⁽¹⁾ Calculated based on average shares outstanding for the period.

⁽²⁾ Total investment return is calculated assuming a purchase of shares on the first day and a sale of shares on the last day of each period reported and includes reinvestments of dividends and distributions, if any.

⁽³⁾ During the current fiscal period, certain fees were waived and/or reimbursed. If such fee waivers and/or reimbursements had not occurred, the ratios would have been as indicated.

PRIVACY NOTICE

FACTS	WHAT DOES THE BOGLE INVESTMENT MANAGEMENT SMALL CAP GROWTH FUND DO WITH YOUR PERSONAL INFORMATION?
Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	<p>The types of personal information we collect and share depend on the product or service you have with us. This information can include:</p> <ul style="list-style-type: none"> • Social Security number • account balances • account transactions • transaction history • wire transfer instructions • checking account information <p>When you are <i>no longer</i> our customer, we continue to share your information as described in this notice.</p>
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons the Bogle Investment Management Small Cap Growth Fund chooses to share; and whether you can limit this sharing.

Reasons we can share your personal information	Does the Bogle Investment Management Small Cap Growth Fund share?	Can you limit this sharing?
For our everyday business purposes — such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus	Yes	No
For our marketing purposes — to offer our products and services to you	Yes	No
For joint marketing with other financial companies	No	We don't share.
For our affiliates' everyday business purposes — information about your transactions and experiences	Yes	No
For our affiliates' everyday business purposes — information about your creditworthiness	No	We don't share.
For our affiliates to market to you	No	We don't share.
For nonaffiliates to market to you	No	We don't share.

Questions?

Call (877) 264-5346 or go to www.boglefunds.com

What we do

How does the Bogle Investment Management Small Cap Growth Fund protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does the Bogle Investment Management Small Cap Growth Fund collect my personal information?

We collect your personal information, for example, when you

- open an account
- provide account information
- give us your contact information
- make a wire transfer
- tell us where to send the money

We also collect your information from others, such as credit bureaus, affiliates, or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes – information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

European Union's General Data Protection Regulation

In addition to the above information, where applicable, you have the following rights under the European Union's General Data Protection Regulation ("GDPR") and U.S. Privacy Laws, as applicable and to the extent permitted by law, to

- Check whether we hold personal information about you and to access such data (in accordance with our policy)
- Request the correction of personal information about you that is inaccurate
- Have a copy of the personal information we hold about you provided to you or another "controller" where technically feasible
- Request the erasure of your personal information
- Request the restriction of processing concerning you

The legal grounds for processing of your personal information is for contractual necessity and compliance with law. If you wish to exercise any of your rights above, please call: 1-877-264-5346. You are required to ensure the personal information we hold about you is up-to-date and accurate and you must notify us of any changes to the personal data you provided to us.

European Union’s General Data Protection Regulation (Continued)	<p>The Bogle Investment Management Small Cap Growth Fund shall retain your personal data for as long as you are an investor in the Fund and thereafter as long as necessary to comply with applicable laws that require the Fund to retain your personal data, such as the Securities and Exchange Commission’s data retention rules. Your personal data will be transferred to the United States so that the Fund may provide the agreed upon services for you. No adequacy decision has been rendered by the European Commission as to the data protection of your personal data when transferring it to the United States. However, the Fund does take the security of your personal data seriously.</p> <p>You also have the right to lodge a complaint with the appropriate regulatory authority with respect to issues you may have.</p>

FOR MORE INFORMATION

This Prospectus contains important information you should know before you invest. Read it carefully and keep it for future reference. More information about the Fund is available free of charge, upon request, including:

ANNUAL/SEMI-ANNUAL REPORTS

These reports contain additional information about the Fund's investments, describe the Fund's performance, list portfolio holdings and discuss recent market conditions and economic trends. The annual report includes Fund strategies that significantly affected the Fund's performance during its last fiscal year. The Fund's annual and semi-annual reports to shareholders may be obtained free of charge by calling 1-877-264-5346 and are available on the Adviser's website at www.boglefunds.com.

STATEMENT OF ADDITIONAL INFORMATION

The SAI, dated December 31, 2020, has been filed with the SEC. The SAI, which includes additional information about the Fund, and the Fund's annual and semi-annual reports, may be obtained free of charge by calling 1-877-264-5346. The SAI, as supplemented from time to time, is incorporated by reference into this prospectus and is legally considered a part of this Prospectus. The SAI is available on the Adviser's website at www.boglefunds.com.

SHAREHOLDER INQUIRIES
